

Dear Parents and Children, here is your new weekly home learning timetable. We hope it helps you get back into the routine and excited to get stuck in with your learning after the break. Take a look at the creative afternoon activities we have suggested - we are really looking forward to seeing what you share with us on Seesaw. This week, you will also be able to see what your classmates are sharing – see if you can inspire someone with what you share, or be inspired by a friend. Good luck!

20 <sup>th</sup> April – 24 <sup>th</sup> April	Morning			Afternoon Each afternoon, please select one or more of the following challenges to enjoy.
Suggested Timings	Maths At least 30 minutes	Reading At least 30 minutes	Writing / SPaG At least 30 minutes	Other challenges
<b>Monday</b>	CGP Maths Pages 46, 47 Complete lesson 1 of Summer Term Week 1 Make a whole <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a>	How to Train your Dragon: chapter 16 and 17  ‘The Cloud Rider’ on Active Learn: chapter 5	CGP Handwriting Pages 21 and 22 CGP SPAG pg. 44 and 45	1) Complete the activity I have assigned to you on Seesaw ‘You’ve discovered a New breed of Dragon!’ 2) Complete the activity I have assigned to you on Seesaw ‘The Egg Protection Program’ 3) Complete the activity I have assigned to you on Seesaw ‘Family interview: who is your favourite author?’ 4) Write a wish on a piece of paper, tie it or stick it to a tree, shrub, plant or chair, add a wish every day and watch your ‘wishing tree’ grow.
<b>Tuesday</b>	CGP Mental Maths Workout Exercise 9 and 10 Complete lesson 2 of Summer Term Week 1 Write decimals <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a>	How to Train your Dragon: chapter 18  ‘The Cloud Rider’ on Active Learn: chapter 6	CGP SPAG Pages 46 and 47 CGP Handwriting pg. 23 and 24	5) Use your clean recycling to build a monster, make it bigger every day and smash it up at the end of the week. 6) Get a page from a newspaper or magazine, choose a word from each line and black out or paint over the rest to make a poem.
<b>Wednesday</b>	CGP Mental Maths Workout Exercise 11 and 12 Complete lesson 3 of Summer Term Week 1 Compare decimals <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a>	How to Train your Dragon: chapter 19  ‘The Cloud Rider’ on Active Learn: chapter 7	CGP Handwriting Pages 25 and 26 CGP SPAG pg 48 and 49	7) Pick your favourite dance/workout to do on gonoodle. No email to sign up needed! Follow the link. Maybe you can video yourself moving around and post on seesaw? I would love to see that, but this is obviously optional! <a href="https://family.gonoodle.com/">https://family.gonoodle.com/</a>
<b>Thursday</b>	CGP Mental Maths Workout Exercise 13 and 14 Complete lesson 4 of Summer Term Week 1 Order decimals <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a>	How to Train your Dragon: today and tomorrow you will write a book review. Use the following link for some useful tips <a href="https://www.booktrust.org.uk/books-and-reading/tips-and-advice/writing-tips/writing-tips-for-teens/how-to-write-a-book-review/">https://www.booktrust.org.uk/books-and-reading/tips-and-advice/writing-tips/writing-tips-for-teens/how-to-write-a-book-review/</a>  I will send a template on MM as an example, you don’t have to stick to it! ‘The Cloud Rider’ on Active Learn: chapter 8	CGP SPAG Pages 50 and 51 CGP Handwriting pg 27 and 28	8) When light travels from one material to another it bends. Draw a small arrow pointing left or right on a piece of paper. Fill a large, transparent glass with water. Hold the arrow behind the glass of water. What happens? Try this out with letters of the alphabet. Does it work with them all? Can you research the science behind this? 9) How tall are you? Draw around your foot onto some paper and cut it out. Use your paper foot to find out how many ‘feet’ tall are you? What else can you measure?
<b>Friday</b>	CGP Mental Maths Workout Exercise 15 and 16 Complete Friday Maths challenge of Summer Term Week 1 <a href="https://whiterosemaths.com/homelearning/year-4/">https://whiterosemaths.com/homelearning/year-4/</a>	How to Train your Dragon: book review.  ‘The Cloud Rider’ on Active Learn: chapter 9	CGP Handwriting Pages 29 and 30 CGP SPAG pg 52 and 53	10) Put 2 tablespoons of cornflour into a bowl and mix it with water until it seems like a very thick liquid. Play with it over the bowl. Stir it with a spoon, hit it gently, put some in your hand, roll it into a ball, open up your fingers. Is it a liquid or a solid? Can you research what kind of special fluids these are?  <b>Enjoy a book you have chosen for 30 minutes</b>

### **What you can expect from us**

Each Monday, we will send you one of these timetables, which links to the resources in the pack you have received.

Every weekday, class teachers will send two messages with reminders and updates about your daily learning.

To keep you motivated, we will also send individual messages to celebrate effort and achievements we have seen on IXL, Bug Club and Oddizzi.

When we return to school, we are really looking forward to sharing and celebrating your achievements and creativity with your classmates.

### **What we expect of you**

The same incredible level of effort and engagement with learning that we see at school.

The learning set out above to be completed on the suggested day, sticking to approximate timings. (Of course, we know many of you will go far beyond this!)

Presentation to be proud of – books cared for like in school and resources well looked after.
