

Dear Parents and Children,

Here is your third weekly timetable with suggested activities and timings. We appreciate that this time would usually be the holidays but we know they won't feel the same this year. We hope that some daily routine and exciting activities will provide you with something enjoyable and engaging to do when other options are limited. We also hope you have time to rest, relax and enjoy time with your family.

6 th – 10 th April	Morning			Afternoon Each afternoon, please select one or more of the following challenges to enjoy.
