

Dear Parents and Children, here is your new weekly home learning timetable. Take a look at the creative afternoon activities we have suggested - we are really looking forward to seeing what you share with us on Seesaw. Now we can share special posts with the whole class. Your learning could be shared with all of your classmates! We hope this inspires you to be creative and helps you feel connected with your friends. Please note, for maths learning this week, please go to <https://whiterosemaths.com/homelearning/year-6/>. This week we are completing the **week 5** lessons from this website.
