

Dear Parents and Children,

Here is your new weekly home learning timetable. You will see that Maths this week goes back to week 1 because we did not start there. Take a look at the creative afternoon activities we have suggested - we are really looking forward to seeing what you share with us on Seesaw. Now we can share special posts with the whole class. Your learning could be shared with all of your classmates! We hope this inspires you to be creative and helps you feel connected with your friends.

What you can expect from us

- Each Monday, we will send you one of these timetables, which links to the resources in the pack you have received.
- Every weekday, class teachers will send two messages with reminders and updates about your daily learning.
- To keep you motivated, we will also send individual messages to celebrate effort and achievements we have seen on IXL, Bug Club and Oddizzi.

What we expect of you

- The same incredible level of effort and engagement with learning that we see at school. Please share on Seesaw!
- The learning set out above to be completed on the suggested day, sticking to approximate timings. (Of course, we know many of you will go far beyond this!)
- Presentation to be proud of – books cared for like in school and resources well looked after.

When we return to school, we are really looking forward to sharing and celebrating your achievements and creativity with your classmates.
