

Friday 10th July 2020

Dear parents and carers,

As next week is the final week of term, we felt that each class would benefit from an opportunity to gather virtually on a Zoom call. The whole class has been invited at the same time. The teacher will lead the gathering, first by welcoming all of the children and then by sharing memories and achievements from the year. The children will have a chance to say hello to each other briefly too. We hope that our children will enjoy a chance to see their teacher and classmates who they may not have seen for a while.

Those who are in school will see their friends at home on the screen in their classroom. Children at home will see their friends – both at home and at school – on whatever device they are using. Select 'Gallery View' as a viewing option so your child can see their friends and teacher. If you can, please be on hand in case there are technical glitches and you are also very welcome to join on camera yourself if you wish.

You have received a text with invite details for your child's class gathering. Each meeting is scheduled at a specific time. Please see below for details of your child's Zoom meeting.

Please follow this link for more information about how to sign in: <https://www.championlocal.org/userfiles/142/my%20files/zoom%20for%20parents.pdf?id=6161>

This guide will support you if you are new to Zoom. It is free to download and there are several ways to sign in using the information we have provided in the table above. We would love as many children as possible to participate, so please do not hesitate to give us a call on 0208 800 9007 with questions about how to log in, or email admin@springfield.hackney.sch.uk.

We know our teacher are really looking forward to seeing the children who have been learning at home. We also hope that your child enjoys a chance to see their friends before the holiday and that it helps to reassure and excite them about their return to school in September.

With very best wishes,
 Ms Wyatt

Learn together, grow together.
