

Friday 7th January 2022

Dear Parent/Carer,

In my last letter to you, I outlined some of the measures that we are currently taking to minimise the risks of Covid-19 in school. I also promised to update you about our after school clubs for this half term.

I have thoroughly analysed the guidance from both the Government and Hackney Education. The guidance from the Government states that they do not recommend that it is necessary to keep children in consistent groups. This means that 'bubbles' do not need to be used in out-of-school settings. Following this guidance, we will be able to offer the full range of 3:30-4:30 clubs, so **if you have signed your child up for a club it will begin next week.**

We have given careful thought to how we will minimise the risks of spreading Covid-19 during these times and the following measures will be in place:

Outdoor and Indoor spaces

- Classrooms and the hall will be well ventilated with doors and windows open at all times.
- Weather permitting, all sports clubs will take place outdoors.

Again, I do urge you to ensure that your child is warmly dressed using different layers. Please send trainers to school for sports clubs.

Personal Hygiene

- Thorough hand washing and use of hand sanitiser will be encouraged.
- Staff will promote the "Catch it, Bin it, Kill it" message and lidded bins will be provided in every classroom for disposal of tissues.

Social Distancing:

- Within each club, we will keep children in phase groups (Early Years, Key Stage 1 and 2).

Should you wish to withdraw your child from a club you have signed them up for, please do get in contact with us and you will receive a full refund.

Should you have any questions or queries, please do not hesitate to contact us via our school email or by phone.

Yours faithfully,

Anna Case, Headteacher
