In particular, you will learn about the reign of Elizabeth I.</p> <p>Take a look at the National Portrait Gallery website to explore a range of images and sources related to this British monarch. https://www.npg.org.uk/collections/search/person/mp01452/queen-elizabeth-i</p> <p>What do you notice? One of them is a version of William Shakespeare's famous play <i>Macbeth</i>.</p> <p>This series of 8 short video clips tells the story of <i>Macbeth</i> with cartoon animations: https://www.bbc.co.uk/teach/class-clips-video/english-ks2-macbeth-ep1/zfqv8xs</p> <p>There is a script for the opening scenes of the play here (an extract is on the other side of this page). https://teach.files.bbci.co.uk/schoolradio/english/macbeth/episode_01.pdf</p> <p>Watch the video to revise the plot and make your own cartoon strip of the play. You could even write your own retell with dialogue.</p> <p>Alternatively, you may want to act out a scene using the script above by learning some lines off by heart like an actor. Remember, <i>Macbeth</i> was written as a play to be performed, so use your acting and expression to bring it to life!</p>
<p>Science</p>	<p>In science last half term, we learned all about living things. You learned about the impact we as humans can have on animal and plant habitats.</p> <p>Think about the habitats in our local area: the canal, the wetlands, our local parks and even our own forest area.</p> <p>Which living things live in these habitats? Can you go out and see how many you can find and identify?</p> <p>Make a poster to persuade humans to impact our local habitats positively. What can they do? What should they avoid?</p>	<p>Our focus in science will be digestion, teeth and food chains. We will explore the stages of human digestion and the organs involved in the process. Our enquiry focus is the different types of teeth and their functions.</p> <p>Looking after our teeth is really important. Design a guide to help someone to take care of their teeth. It could be a leaflet, or a presentation that you prepare and present to your class. Include information about:</p> <ul style="list-style-type: none"> -the types of teeth we have -how often to brush them -when to brush them -how long to brush them for -which types of foods can damage our teeth if we eat them too much -the importance of visiting a dentist
