

Friday 16th June 2023

Dear parents and carers,

We will be holding our annual Sports Day in our usual location of Springfield Park - Rugby Pitch on **Tuesday 27th June 2023**. Below are all the details you'll need for this exciting day:

Location and timings

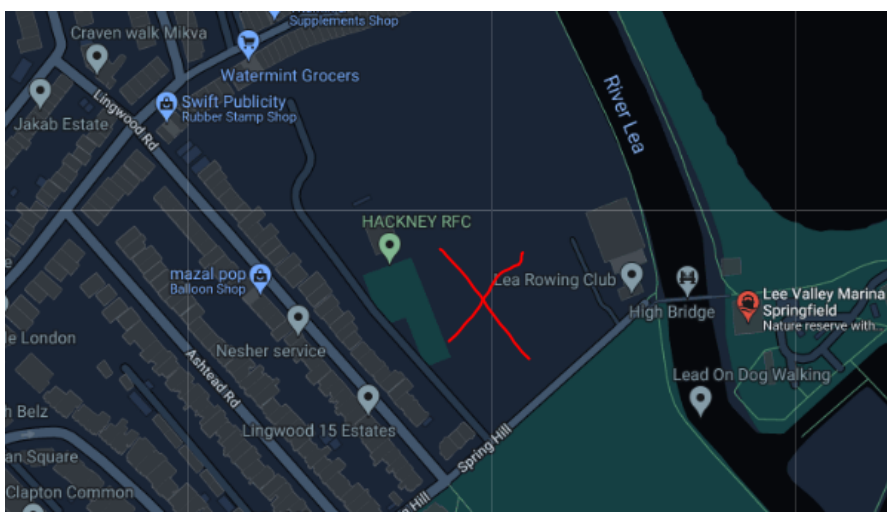

Sports Day will start at the track from 10am, so we are asking that you please bring your children to school promptly for **9:00am at the latest** to allow us time to travel there. **Children should arrive at school in their PE kits plus an item of clothing representing their team colour** with all items of clothing labelled with their name. If children are late on the day, and you wish them to attend, it will be your responsibility to get them to Springfield Park yourselves – please contact the school on the day should that be the case on 020 8800 9007 (before 9am) or email admin@springfield.hackney.sch.uk (after 9am). If they are late and not able to be taken to the venue, they may remain at school supervised for the day.

As usual your children will be provided with bagels upon arrival but please ensure that they receive a substantial breakfast before they arrive at school to keep them going on the day. Breakfast Club will run as normal for those that already attend.

We will be travelling to and from the venue by foot.

For KS1 children (Years 1 and 2) the children will return to school after lunch time.

KS2 children will return to school around 2pm. Please be aware that if the temperatures get too high, we will bring the children back to school earlier than this. After school clubs will run as normal on the day.

On the day

Parents and families are encouraged to come and support the children on the day and Springfield Park has plenty of space for parents to come and watch. Please do arrange your own travel to the venue ideally arriving at 10am in order to see all the events. For parents who wish to drive, there are a few parking metres, however the restrictions are the same as Castlewood Road (restricted parking of 1 hour between 10am-12pm).

Your children will be given their usual colours of red, blue, yellow and green in due course and we invite you to wear the same colour as your children to give them extra support.

We will break for a 30 minute lunch at around 12:30pm, where you will be able to eat lunch with your children nearby. Should your child receive **INCOME BASED** free school meals, please let us know by Wednesday 21st June 2023 on the slip below whether you wish them to receive a school packed lunch.

If your child does not receive free school meals, please make sure they arrive at school with a suitable packed lunch, clearly labelled with their name. All children should bring a refillable water bottle also clearly labelled with their name.

It is vital that packed lunches contain no nuts and seeds as we have children with allergies. Please make sure their lunches are healthy.

Weather

Of course, we are all hoping for a warm and bright day on 27th June but should there be a substantial amount of rain on the day, which makes the event unsafe to host, please be aware that we may have to cancel at the last minute. In such event, the school will host events at school though unfortunately this means that we may not be able to have parents to watch.

Should the day be warm and sunny, please make sure children arrive with sunscreen already applied, as we will not be able to apply this during the day. You may wish to bring it yourselves to reapply at lunchtime. They should also arrive with a sunhat.

If you have any questions, please email or call the school office. We hope that you will be able to come and support all our children on the day.

Best wishes,

Anna Case

Headteacher
