

Educational Visit: Tower of London

Dear Parents/Carers of Birch Class,

On the **9th of December**, Year 2 will be visiting [Walthamstow Wetlands](#) to enrich this term's Geography learning and develop their understanding of how water plays a key role in our local area. We will be attending the Animals outdoor learning workshop, which will help reinforce last term's science learning.

We will leave school at **9am**. We will then walk to Egerton Road to get the 76 bus to Tottenham Hale Bus Station, where we will walk to Wetlands reserve ready for our session in Marine Engine House at 10am. To give your permission for your child to attend this trip, please click on the link below.

Children will need a packed lunch. If you require a school lunch, please indicate on the form which is linked below. If you are making your own, please provide a **healthy packed lunch** for your child: **NO** sweets, chocolate, fizzy drinks, crisps, **or nuts** are allowed – please avoid a full rucksack as they will have to carry it on the journey!

We will return to school no later than 3pm for clubs in the afternoon as usual. Pickup time will be at **3:30pm** as usual.

All children should wear **outdoor clothing and sturdy, waterproof shoes**. Please ensure they are dressed in appropriate clothing for the weather on the day (e.g. thermals, waterproofs).

We will be asking for a voluntary contribution of **£2.50, on Parent Pay**, to help cover the cost of this trip.

We warmly welcome parents and carers to join us on this trip but places are limited. Please tick the box below if you are interested in joining us. Across this year, there are multiple trips planned so we aim to allocate parent and carer places fairly. We will confirm a place for this trip with you as soon as we have received all slips.

If you require any further information, please come and talk to me after school.

Please click on the link below to give your permission by the **5th of December**:
